◊ The expectation is that an ordained Minister of the Word or Commissioned Pastor from the congregation scheduled on the assigned date will preach the Word and preside over any scheduled sacraments. **If a Minister or Commissioned Pastor from the congregation scheduled is not available on the assigned date, the council of the congregation scheduled is responsible to ensure a replacement is found** (i.e., it is recommended to try and find a congregation willing to switch dates).

◊ Churches receiving pulpit supplies are responsible for clarifying to visiting pastors what the expectations are (i.e. baptism, Lord's Supper, GEMS Sunday, etc.) and they should do this well in advance of the scheduled Sunday.

June 1, 2025.

◇ Classis Huron implemented the mileage reimbursement at the current year's rate per kilometer for 2025 is \$0.72 per km. This mileage reimbursement is paid directly to the pastor who is travelling to the respective church.

◇ Classis Huron set a rate for pulpit supply of \$200.00 per service. The church supplying the pastor will be reimbursed directly, not the pastor.

◇ Notes for reimbursement: When a campus minister is preaching, the campus minister will be reimbursed along with the mileage.

◇ It is recommended that the rates for exhorters will be treated in the same fashion as those for campus ministers.
