Re: Classis Huron 2021 Financial Review

I met with Evert Nagel to review the financial records for Classis Huron for the year ending December 31, 2021.

I was provided full access to the financial records for the year.

Evert keeps the records well organized and the transactions were easy to follow.

Based on a good review, it is my opinion that the 2021-year end financial statements accurately reflect the financial position of Classis Huron.

Many thanks to Evert Nagel for his diligent service.
