Re: Classis Huron 2020 Financial Review

I was able to complete a financial review of the records for Classis Huron for the year ending December 31, 2020.

I was provided full access to the financial records for the year.

Based on a thorough review, it is my opinion that the 2020-year end financial statements accurately reflect the financial position of Classis Huron.

Many thanks to John Bell and Evert Nagel for their diligent service.
