\*\*A reminder that Classis delegates are expected to remain present at classis for the entire session until it is adjourned. Dates of classis sessions are known well in advance, so it becomes the responsibility of delegates to 'clear' their schedules so that they can remain at the 'table'. Please refrain from scheduling appointments on this day because, in some situations, classis may deliberate longer than expected. Delegates who need to leave before adjournment (i.e. due to an emergency) may do so with the permission of the Chairperson only who will then advise classis of his/her/their absence; names of delegates who leave early will be recorded in the minutes.
