◇ The expectation is that **an ordained Minister of the Word or Commissioned Pastor** from the congregation scheduled on the assigned date will preach the Word and preside over any scheduled sacraments. If a Minister or Commissioned Pastor from the congregation scheduled is not available on the assigned date, **the council of the congregation scheduled is responsible** to ensure a replacement is found (i.e. it is recommended to try and find a congregation willing to switch dates).

◇ Churches receiving pulpit supply are responsible for clarifying to visiting pastors **what the expectations are** (i.e. baptism, Lord's Supper, GEMS Sunday, etc.) and they should do this well in advance of the scheduled Sunday.

If a church is not holding in-building services, **an alternate arrangement** can be made, for example, by providing a video or a link to another service.
