◇ The expectation is that **an ordained Minister of the Word or Commissioned Pastor** from the congregation scheduled on the assigned date will preach the Word and preside over any scheduled sacraments. If a Minister or Commissioned Pastor from the congregation scheduled is not available on the assigned date, **the council of the congregation scheduled is responsible** to ensure a replacement is found (i.e., it is recommended to try and find a congregation willing to switch dates).

◇ Churches receiving pulpit supplies are responsible for clarifying to visiting pastors **what the expectations are** (i.e. baptism, Lord's Supper, GEMS Sunday, etc.) and they should do this well in advance of the scheduled Sunday. If a church is not holding in-building services, **an alternate arrangement** can be made, for example, by providing a video or a link to another service.

◇ Classis Huron implemented the mileage reimbursement at the current year's rate per kilometre for 2023 is **\$0.68 per km**. This mileage reimbursement is paid directly to the pastor who is travelling to the respective church.

◇ Classis Huron set a rate for pulpit supply of **\$200.00** per service. The church supplying the pastor will be reimbursed directly, not the pastor.
